Income Guidelines

The 2018 LaGrange County median family income is \$56,900. The family selection committee will give first preference to families whose income falls between 30 and 60 percent of that figure.

The following table shows income guidelines tabulated by family size.

Family Size

	1	2	3	4	5	6	7	8
30%	\$12,850	\$16,460	\$20,780	\$25,100	\$29,420	\$33,740	\$37,850	\$40,300
60%	\$23,800	\$27,200	\$30,600	\$34,000	\$36,750	\$39,450	\$42,150	\$44,900

These guidelines may change as new data become available.

Notes on Calculating

Find Chart for HUD and use the 30% chart. To determine 60% multiply the Area median income by 60% for the 4 person family and round t the nearest 50.

For remaing family numbers use the following multiplications x the base amount and round to the nearest 50

1 70%

2 80%

3 90%

4 is base

5 108%

6 116%

7 124%

8 132%
